PROFESSIONAL SUMMARY

Aspiring Full-Stack Developer and senior Computer Science student with hands-on experience in building scalable web applications and software solutions. Proficient in .NET, ASP.NET Core, SQL Server, and object-oriented programming. Successfully developed POS systems, reservation platforms, and CRUD applications through internships and freelance roles. Strong problem-solving abilities, collaborative mindset, and a passion for delivering efficient, user-focused solutions.

EDUCATION

El Shorouk Academy — *Faculty of Computer Science and Information Technology*

Degree: Bachelor of Computer Science (Graduation: 2025)

Grade: Very Good

TECHNICAL SKILLS

- **Programming:** C#, Python, JavaScript
- **Web Development:** ASP.NET Core, HTML5, CSS, Bootstrap
- **Databases:** SQL Server, Entity Framework Core
- **Tools:** MS Word, PowerPoint, Visual Studio, Visual Studio Code, SSMS
- **Other:** Object-Oriented Programming (OOP), LINQ, Data Structures
- **Soft Skills:** teamwork, multitasking, problem-solving, attention to detail, time management

EXPERIENCE

.NET Web Developer Intern — *Digital Egypt Pioneers Initiative (DEPI)*

Cairo, Egypt | Apr 2024 – Oct 2024

- Developed a POS and hotel reservation system, improving transaction efficiency.
- Strengthened problem-solving and debugging skills through hands-on projects.
- Enhanced collaboration and time management abilities in a team-based environment.

AI Model Trainer (Freelance) — *Scale AI*

Remote, United States | Jan 2024 – Jul 2024

- Improved AI-generated solutions by answering technical questions while following instructions.
- Developed and ranked coding solutions for AI-driven projects using Python and Java.
- Conducted quality assurance for AI models, ensuring 95% accuracy in results to meet quality standards.
- Gained flexibility in managing tasks and collaborating with global teams.

.NET Web Developer — *Information Technology Institute (ITI)*

Ismailia, Egypt | Jul 2023 – Aug 2023

- Developed CRUD applications using ASP.NET Core and SQL Server.
- Gained expertise in object-oriented programming and tools like LINQ.
- Improved database management and application troubleshooting skills.

PROJECTS

- **Train Reservation System:** Designed a desktop application enabling seamless booking and management for users and administrators.
- **Point of Sale (POS) System:** Led the development of secure, client-ready POS solutions using .NET Core and IIS deployment.
